## TELEGRAPHIC

### A SICKLY SENSATION.

A Bucoic Newspaper Starts the  
Story that the President is to be  
Kidnaped.

Halley, I. T., 25.—Considerable excite-  
ment exists here over the report which  
appeared in last evening's World Re-  
viewer that a party of cowboys had ar-  
rived for the Yellowstone park to kidnap  
President Arthur, and Sheriff Terry has  
detained two trustworthy deputies to look  
the matter up, with instructions to sum-  
mon a strong posse and arrest the kid-  
nappers, if facts are as stated.  
The paper says during the past two weeks  
a number of strangers, all well provided  
with good riding animals and firearms,  
and resembling a party of regulars or  
Texas cowboys, have been camped on  
Willow creek, and considerable curiosity  
has been expressed as to the intentions of  
the party, some accounting for their  
outfit as a party organized to go up in  
the Indian country on a prospecting trip,  
while others believed them to be a band  
of Arizona rustlers. During several days  
past, some of the party have ridden  
through town in a silent manner and  
mysteriously disappeared. From a man  
who came in to-day it is learned that the  
party who induced him to join them and  
made him take certain pledges of secrecy,  
were organized to proceed to Yellowstone  
park. They left last night, going on the  
stage road and he expected during  
the night. The object of the  
expedition is to kidnap and capture  
President Arthur, and party and  
to spirit them away into the mountain  
fastnesses and to caves, where they will  
be fed, but kept prisoners, while mem-  
bers of the party act as pickets to prevent  
being surprised and captured, while nego-  
tiations for a ransom are conducted. The  
captain or leader of the party has an idea  
that a heavy ransom will be offered by  
the United States and personal friends of  
the President, and he expects for the Presi-  
dent's party will be given up, and that  
half a million dollars or more can thus  
be extorted from the secret service fund  
and divided among the party on the prin-  
ciple adopted by Italian banditti. The  
escaped member of the party says there  
are sixty-five men in the outfit, and some  
of them were guerrillas in the late war,  
and five wild Shoshone and Hancock In-  
dians go along as guides and scouts, who  
are armed with repeating rifles and sculp-  
ter knives. The leader is a Texas desper-  
ado, on whom a price has been set, and  
with the exception of two Indians, who  
left the railroad grade, the others of the  
party are cowboys. A grand council  
was held night before last on the prairie,  
where every man swore by his dagger in  
the daylight to do his duty.

### DE CHAMBORD.

His Death Important Only to Him-  
self.

London, 25.—The Daily News in an  
article on Chambord says his death like  
his life will not affect French politics.  
The event belongs to the romances of his-  
tory and not to its business.

The Times says it is little ground to  
anticipate any movement in France  
favorable to the Orleans princess, who  
will not be so ill-advised as to urge  
claims which at the present time are en-  
tirely hopeless.

Prosdorf, 25.—The body of Chamborl  
lies clothed in evening dress and de-  
corated with the grand cordon of the or-  
der of the Holy Ghost. His hands are folded  
over his breast and in one is a crucifix.  
Wax tapers burn at the head of the  
corpse. The first chamberlain of Em-  
peror Francis Joseph will be sent with  
the will of the late count is opened. At  
the deceased enjoyed ex-territorial rights,  
he was not subject to the ordinary laws of  
Austria. As soon as the news of the death  
became known the inhabitants of Prosdorf  
thronged to the chateau where they  
attended mass. Telegrams of condolence  
with the family poured in all day yester-  
day.

Berlin, 25.—It is generally thought  
here that Chambord's death will have  
no influence on French politics at present.

### Murders.

Toledo, Ohio, 25.—Christian Duener,  
proprietor of a saloon in the Fifth ward,  
last night shot and instantly killed Cor-  
bin Caswell, of Wood county. Caswell  
with others had become quarrelsome and  
attacked Duener.

St. Louis, 25.—Mason, Mo., special:  
George Stewart shot and killed Walter  
Tracy yesterday. The murder grew out  
of a refusal on Tracy's part to live with  
Stewart's sister, whom Stewart com-  
pelled Tracy to marry a few weeks ago.  
Stewart's sister having alleged seduction.  
Stewart escaped.

### Severe on the Ministers.

London, 25.—The Standard comment-  
ing on the close of the session of Parlia-  
ment says ministers and division coun-  
cils of the opposition during the session  
extracted the ministers from their worst  
at ease. The ministers may take heart  
for the future when they remember the  
marvelous impunity which they enjoyed.

### A Robber Arrested.

St. Louis, 25.—John B. Swaney, who  
is suspected of being implicated in the  
Vinito train robbery, was arrested at  
Missouri City by the sheriff of Clay  
county. Swaney was visiting some re-  
latives when captured.

### Lubricating Oil Vein.

Zanesville, 25.—A rich vein of lubri-  
cating oil was struck at a depth of thirty  
feet, fifteen miles down the river yester-  
day.

### The Duel.

Berlin, 25.—A duel was fought at  
Lassau, near Posen, between two captains  
in the German army. One received a  
shot in the abdomen and died soon after-  
wards.

### Cable Clicks.

London, 25.—The Irish National  
League of Great Britain holds a conven-  
tion in Leeds on September 27. Parnell  
will probably preside.
